

Letter to the Editor

Dear editor of Jordan Medical Journal

My manuscript (Visual outcome of allogeneic penetrating Keratoplasty) , has already been published in the issue Vol: 51, No 4 (2017) , Unfortunately I unintentionally forget to mention that this work was accomplished during my sabbatical year (2017) 2016-2017 . Would it be possible to mention this as a note in your reputable journal in one of the upcoming issues.

Many thanks for your time.
